

INSTRUMENT TRANSFORMERS

- Medium Voltage Current Transformers (MV-CTs)
- Medium Voltage Potential Transformer (MV PTs)
- Low Voltage Current Transformers (LV-CTs) :
- Epoxy Cast Resin Ring CTs,
- Tape wound Ring CTs,
- Window type CTs,
- Bar primary CTs both for Indoor & Outdoor applications.
- BLOCK CTs for revenue protection.
- All Instrument Transformers are successfully type tested as per relevant IEC standards & are certified OK.
